# COMING EVENTS

**CHAMBER OF COMMERCE FISHING DERBY — RUNS ALL FISHING SEASON — UNTIL OCTOBER 30.** Weekly plaques are awarded to the fisherman who catches the largest fish in two classes. Fish must be officially weighed and entered. For more details, see the article in this issue.

**JUNE 30-JULY 1 — MAMMOTH MOUNTAIN MOTOR CROSS** — Sponsored by the High Sierra Motor Cycle Club. This two-day racing event is one of the most thrilling spectator sports that there is! Location — at the Old Sherwin Lakes Trail Head just south of Mammoth Lakes.

**JUNE 30-JULY 1 — 12TH ANNUAL "FAMILY FUN SHOOT"** — Two days are planned with archery events planned for the whole family. This is an excellent participant sport as well as spectator sport. Held at Lion's Park.

**JUNE 30 — "STEAK FEED"** — Saturday evening bar-b-que at Lion's Park. Tickets are \$5.00 and are sold on a first come first serve basis at Saturday's Archery events.

**JULY 4 — FOURTH OF JULY PARADE** — Sponsored by the Mammoth Lodging Association. The parade will be held in the morning on the Main Street of Mammoth Lakes. Many local organizations will be invited to participate in the parade.

**JULY 4 — BAR-B-QUE & STREET DANCE** — Sponsored by the Mammoth Lodging Association. The Bar-b-que is slated for the afternoon at the Mammoth Community Park. The street dance will be held in the Bank and Post Office parking lot. It will start in the mid-afternoon and run into the evening. A season pass for next year for Mammoth Mountain Ski Area and a complete set of ski equipment will be raffled off.

**JULY 5 — WATER SKIING — CROWLEY LAKE** — The 1973 water season will begin on Crowley Lake. See the article in this issue for further details.

**JULY 10 — MAMMOTH LAKES CHAMBER OF COMMERCE** — 6:30 p.m. cocktails, 7:30 p.m. dinner. At the Village Inn. Special program on the Chamber plans for the next year. Speaker will be the new public relations man,

Ed Delany. All interested persons are invited to attend.

**JULY 10 — CROWLEY LAKE CHAMBER OF COMMERCE** — 7:30 p.m. at George O'Nan's Crowley Lake Campland. Everyone is invited to attend. For further details call Lloyd Wilson at 934-6141.

**JULY 12-15 — TRI-COUNTY FAIR** — At the Bishop Fairgrounds. The four day fair represents Inyo, Mono and Alpine Counties.

**JULY 29 — FIREMAN'S PICNIC** — Starts at 11:30 a.m. and goes until 6 p.m. at the Shady Rest Community Park. Games, contests, and prizes for the kiddies. Picnic served from 12:00 noon. All residents and tourists are invited to attend!

**AUGUST 3-4 — RUMMAGE SALE** — Sponsored by the women's auxiliary of the fire department. At the Fire Station. Everyone is invited.

**AUGUST 25 — "CORN ON THE COB DANCE"** — Sponsored by the local square dance club — the Hi Sierra Squares. 8:00 p.m. at the Mammoth Elementary school on Fish Hatchery Rd. The caller will be Chuck Carroll. Summer Campers — Come as you are — Square dance togs are not necessary.

**AUGUST 11-12 — 4th ANNUAL MAMMOTH ARTS & CRAFTS FESTIVAL** — Sponsored by the Mammoth Lakes Artists and Craftsmen's Association. This year the festival will be held at the Mammoth Community Park.

**MAMMOTH ADVISORY COUNCIL** — Second and fourth Monday of each month. 9:30 a.m. at the Community Center. Any occasion for public meetings will be announced in advance.

**MAMMOTH DISTRICT WOMEN'S CLUB** — First Thursday in the elementary school library, 7:45 p.m., visitors welcome.

**MAMMOTH LAKES MOTEL AND LODGE ASSN.** — Third Tuesday. Call Mammoth Reservations 934-2522 for details.

**MONO COUNTY BOARD OF SUPERVISORS** — 1st and 3rd Tuesdays of every month at the Courthouse, Bridgeport. Interested parties are invited to attend.

**JUDO** — Taught by Buster Norton. Every Monday and Wednesday 7 p.m. at the Community Center.

**MAMMOTH BODY SHOP** — Tuesdays at 10 a.m. at the Community Center. Thursdays for exercises only.

**CATHOLIC CHURCH** — Mass at noon and 1:00 p.m. each Sunday.

**COMMUNITY CHURCH** — Worship service, 11 a.m.; Sunday School 9:30 a.m.; evening service 7:30 p.m.; Wednesday Prayer Meeting at church 7:30.

**EPISCOPAL CHURCH** — Holy Communion, first Sunday Mammoth Community Center 4:30 p.m.

**LATTER DAY SAINTS** — Sundays, Mammoth Community Center, Priesthood, 9 a.m. Sunday School, 10:30 a.m., Sacrament meeting 11:45 a.m.

**HIGH SCHOOL YF** — Every Monday, 7:30 p.m., Community Church. All teens invited.

**JR. HIGH YF** — Every Tuesday night, Community Church.

**EXERCISE DANCE CLASS** — Tuesday, 7 p.m. Community Center.

**SO. MONO HOSPITAL DISTRICT** — First Wednesday at the Community Center, 10 a.m., visitors welcome.

**MAMMOTH LAKES JR. WOMEN'S CLUB** — First Wednesday, 7:30 p.m. Call Carol Smith, 934-6250, for information.

**MAMMOTH 4-H CLUB** — Second Tuesday at the elementary school cafeteria, 7:30 p.m.

**WATER BOARD** — First Wednesday, 8 p.m., Community Center.

**FIRE COMMISSION** — Public meeting last Thursday of each month.

**SCIENCE OF THE MIND** — (Religious Science) — Study and discussion group meets each Thursday at the Stove at 7:30 p.m.

**FIRE DEPARTMENT** — Every Thursday, 7:30 p.m. at the Fire Station. Visitors welcome.

**MAMMOTH LAKES CHESS CLUB** — 1st & 3rd Wednesdays at 7:30 p.m. For information call Marjorie Lizza at 934-2449 or 934-6057.

**MONO COUNTY PLANNING COMMISSION** — 2nd and 4th Tuesdays of every month at the Courthouse, Bridgeport. Interested parties are invited to attend.

**BOY SCOUTS** — Meet Tuesday evenings at 7 p.m. at the Fire Station. Monthly outings planned. For information call Fred Beach at 934-6526 or Randy Gilbert at 934-6406.

**SQUARE DANCING** — Each Wednesday night and the last Saturday night of the month at the Mammoth Elementary School on Fish Hatchery Rd. at 8:00 p.m. For further information contact Ray and Claire House at 935-4327.

## Fourth Of July Festivities Planned

The Mammoth Lakes Lodge Association will be putting the finishing touches on the Mammoth Lakes fourth of July celebration to be held at the bank parking lot in the village Wednesday, July 4th.

The celebration will get underway at 11:00 a.m. with a parade starting at Hwy. 203 and Minaret Road, down Main St. with many local clubs and groups participating. Prizes will be awarded for different categories.

This will be followed by carnival games, a pie eating contest, beer, hot dogs and a street dance. Five hundred dollars in prizes will be awarded. Draw-

ings will be held every hour. Raffle tickets will be on sale at the bank parking lot. The Mammoth Lakes Women's Club will have a snow cone stand.

There will be two bands for your entertainment. Elliott Thompson's Band and a Bavarian Band.

Skydivers from Reno will perform during the festivities and the Navy demolition team from Hawthorne, Nevada will give a demonstration. Everyone is welcome and there is no admission charge.

Anyone interested in participating in the parade please call Lynn Carter 934-6162.

# woodstock

AT MAMMOTH

In Mammoth there exists a small and secluded hollow blessed with an abundance of soaring pines, beautiful views and an atmosphere of peaceful serenity. The ideal place to locate a small village of charm, grace and warmth that would be in total accord with nature.

Because of the terrain and the heavy tree cover other developers had passed it up as being too challenging to pursue. For us it was perfect. Here was the opportunity to create very carefully and painstakingly a village blended into nature that offers an exceptional value in condominium ownership through a concept called time-sharing. Thus was Woodstock at Mammoth conceived.

The architects and landplanners designed the individual units, buildings and site plan as a totally coordinated effort. Each unit has no more than one common wall and all have direct access from out-of-

doors. There are no corridors or hallways. Each building was individually arranged on its site to take maximum advantage of the surrounding beauty and view potential. The overall result is one of small chalets tucked discreetly among the trees and against the slopes and hills. A feeling that what has been created truly belongs.

**Woodstock consists of 108 condominiums.** Some have already been sold. If you have an interest in owning a resort condominium at Woodstock, come to our "Woodstock at Mammoth" showroom at **5625 Century Blvd.** We've constructed an actual model complete with a 16,000 square foot exhibit on Mammoth itself which you may view at your convenience. And if you can't make it in, tear off the coupon and return it to the address below or call us. We'll tell you all about time-sharing and how easy it is to own a fully furnished Woodstock condominium now.

## Rummage Sale August 3-4

A gigantic rummage sale, with enough articles to fill the back room of the fire station, will take place Friday and Saturday, Aug. 3 and 4 from 10 a.m. to 5 p.m. in the fire station house.

Making all the arrangements are members of the Fire Department's Women's Auxiliary and community women. Directing activities for the 11th annual event have been Mrs. Ellen Pomeroy.

Good bargains are clothes, skis and boots, old televisions, dishes and pans, blankets and a library's selection of books.

The money raised will help furnish the new addition to the station house.

Funds in the past paid for the first fire engine, folding chairs, a projector and screen and plectrons (alerting units for individual fireman's use.)

Mammoth Residents — as you are doing your summer clean-up, don't forget to save out old clothes and miscellaneous items that could be sold at the rummage sale. You can take them to the fire station any day prior to the sale. Support this worthwhile event!

## Tri-County Fair Readies For Opening

It's FAIR TIME again! The Tri-County Fair, representing Inyo, Mono, and Alpine counties, will be held at the Bishop Fair Grounds on July 12-15. This year's fair promises to be entertaining as well as informative. Four days of excitement can be enjoyed by anyone through the many fair highlights.

Thursday, July 12th, will be the Kids' Day Parade, Kids' Day Contests and Games, and a Horse Show. Friday's highlights include another Horse Show and a stage show starring Vandemeide the Hypnotist. Saturday hosts the first performance of the open Rodeo. On Sunday is the Junior Livestock Auction, the second performance of the open Rodeo, and the ever-popular Destruction Derby, sponsored by the Bishop Volunteer Firemen. A carnival and the Kids' Fishing Derby (sponsored by the Bishop Lion's Club), will continue through all four days of the fair. Along with the free front gate there will be many other free attractions including Bono the Clown, the Reinsmen, Jeff Yates-Ventriliquist, and the Caudet's Show (magicians).

The Tri-County Fair can be viewed as a "Showcase for the area." It is hoped that there will be total participation from all three counties in both entries and attendance. The fair is definitely one of the big attractions for this area and is well worth going to see.

## Water Skiing On Crowley Lake To Begin July 5

Water skiing will begin Thursday, July 5, at Crowley Lake which is located about ten miles south of Mammoth Lakes on Highway 395. Skiing activities during July will be limited to an area of the lake where it will not interfere with anglers at the trout fishing center. From July 5 through 31, water skiing will be in the northern section of the huge man-made reservoir, above Island Point. Hopefully water skiing activity will continue through Labor Day.

Life guards will be on duty throughout the skiing season and will strictly enforce safety measures which have been adopted by the Los Angeles City Recreation and Parks Department.

Boats will be launched at Crowley's south landing and must proceed directly to the water skiing area. All craft will be inspected, and all boats will be kept out of the skier landing area.

This will be the fourth season of water skiing at Crowley Lake. A successful pilot project was conducted in 1970 and the activity was offered in the McGee Bay area the last two years.

## Fireman's Picnic Slated For July 29th

The third annual Mammoth Lakes Fireman's Picnic will be Sunday, July 29th at the Shady Rest Community Park. Activities will get underway at 11:30 a.m. and continue until 6:00 p.m.

The picnic activities are planned around the kids with many games and contests with prizes for the winners. Games will include: "the 'greased pig contest'" (this year only the smaller children will be able to participate), greased poles, tug of war, and fire truck rides.

The traditional picnic menu will include hamburgers, barbecued beans, corn-on-the-cob, beer and soft drinks — all for nominal charge. The food will be served all afternoon starting at noon. There will also be refreshment booths.

Everyone is invited to join in on this traditional old time picnic. Tourists are encouraged to attend!

## Mammoth Lakes Arts & Crafts Association Preparing For Festival

The fourth annual Mammoth Lakes Arts & Crafts Festival will be held on August 11th and 12th at the Mammoth Community Park. This year the Arts & Crafts Association has decided to make the festival an invitational in order to offer the community the desired high creative quality seen in the past. A screening committee has been chosen to decide which artists and craftsmen will receive invitations.

If you wish to participate just bring representative samples of your work to the Mammoth Community Center between 10:00 AM and noon on July 7th. Those who qualify will receive invitations by July 15th.

The last day to sign up is at the general meeting July 15th at 8:00PM at the Mammoth Community Center. There will be a charge of \$10.00 per exhibitor plus a refundable \$10.00 clean-up deposit.

## C Of C Begins 73-74 Membership Drive

The Mammoth Lakes Chamber of Commerce has begun its 1973-1974 membership drive. Co-chairman Sam Walker and Carolyn Cole are optimistic that this year the Chamber membership will become larger than ever!

Over the past few months, the Chamber of Commerce has re-defined their goals as **promotional** and not political. In the past many local persons were disenchanted with the Chamber because of its political involvement with community affairs. This has changed! The Chamber of Commerce will, this year pull all of its efforts toward a total promotional campaign for the Mammoth area — already underway is the hiring of a public relations firm to promote Mammoth.

All local businessmen, Mammoth residents and second homeowners are invited to participate in the Chamber of

Commerce. Dues are \$50 a year for active members and \$25 a year for associate members. Membership forms can be picked up at the Chamber of Commerce office in Mammoth or write P.O. Box 277, Mammoth Lakes, 93546. Or call Carolyn Cole at (714) 934-2126 for further information.

The July general meeting of the Chamber of Commerce is scheduled for Tuesday, July 10th. The program will feature a discussion on the Chamber of Commerce and its functions and plans for the coming year. Ed Delany of Freelance, Inc., the newly hired public relations firm, will be the guest speaker. The meeting will be held at the Village Inn — 6:30 cocktails, 7:30 dinner, and 8:30 meeting. The tab for the specially prepared dinner is \$5.50. All businessmen, residents, second homeowners and interested visitors are encouraged to attend!

## Mammoth Mental Health Clinic To Open Soon

A mental health clinic will open about July 1st in Mammoth. The clinic will be located in the Milovich Building on the corner of Old Mammoth Road and Highway 203.

### The opening of the clinic is part of a "Bug Station" Tourist Center Approved

The Mono County Board of Supervisors has recently approved the funding of a Mono County Tourism Center. The bug inspection station located at Topaz Lake on 395 at the northern end of Mono County will be used for the Center. The Mono County Chamber of Commerce will supervise the management. Displays, brochures and promotion material will provide visitors with a complete guide of what to do and see in Mono County.

The new Tourist Center officially opened June 1st. A couple has been hired to live at the Tourist Center and to operate it.

Each of the County's Chamber of Commerces will have a booth. Bill Kelsey, professional photographer from Bishop, and the U.S. Forest Service will be working with the Mammoth Chamber on the Mammoth booth.

Facilities at the Tourist Center will include vending machines, picnic benches and rest rooms.

new county-wide mental health program. Dr. George Hollinger, Psychiatrist, has been selected to direct the program.

Mono General Hospital in Bridgeport (a county facility) will provide two rooms for in-patient care. Services to be provided at the Bridgeport facility will include psychiatric hospitalization, 72-hour evaluation, out-patient counseling, community consultation and education, training of volunteers, and treatment in the areas of alcoholism and drug abuse.

The Mammoth clinic will provide the following services: crisis intervention and counseling, both group and individual; community consultation and education; initial evaluation of those individuals alleged to be a danger to themselves or others or gravely disabled; treatment in the areas of alcoholism and drug abuse.

# FROM OUR READERS

Dear Editor:

Thanks for an outstanding ski season of information and news from Mammoth.

With so many thousands of skiers in the Los Angeles area, KGIL throughout the season frequently broadcast ski area conditions and information. We found the Mammoth Lakes Press extremely helpful as a source of information.

As a skier and a broadcaster, please accept my personal congratulations on a fine publication.

In the fall of '73, when summer turns to snow, we'll again look to the pages of the Mammoth Lakes Press for news of Los Angeles' favorite suburb.

Bill Smith  
Radio Station KGIL  
Los Angeles

*Thank you for the kind words Bill, we hope that the Mammoth Lakes Press will be useful to you again next season as an information guide to Mammoth skiing.*

-Editor

*In the June issue of the Press we printed a letter from James Filson of Filson's Tackle in Mammoth regarding fishing at Hot Creek. Unfortunately a very important sentence was omitted. We would like to reprint the letter correctly so that there will be no illegal fishermen among our readers:*

Dear Editor:

Congratulations on your fine article on "Fishing Tips" in the May issue.

I would like to point out an error with respect to Hot Creek that could be misleading to people fishing that area.

You state "Only Artificial Lures Are Permitted." This should be corrected to read "Only Artificial Flies Are Permitted." This restriction applies from the Hot Creek ranch downstream to the confluence of Hot Creek with the Owens River.

Sincerely Yours,  
James B. Filson

To the Mammoth Lakes Press:

My major complaint about planning is that the Planning Commission and Board of Supervisors do not seem to consider the existing property owner, who has invested large amounts of time and money in his property and who has been paying taxes for years.

Instead, they fall all over themselves to be "fair" to the man who frequently has only an option on a property or has a small down payment and stands to lose very little if his requests are denied.

They encourage the fly-by-night developers who take their money and run, leaving the buyer and Mammoth residents to pay for their mistakes.

Many motel owners are being driven to the brink of bankruptcy because of the overbuilding of condominiums — yet the Supervisors and Planning Commission have turned a deaf ear to their problems. These people have been taxpayers for years and deserve better treatment.

Another example of poor planning is the forcing of high density development in the middle of R-1 zoning (Crestwood West being a prime example). Their type of bad zoning destroys the value of the R-1 property, yet the protesters are usually dismissed as "cranks" by the powers that be, and our tax money is used to promote the interests of the developer.

Most people do not want to stop all development — but want more selected building. We need the new Safeway, we do not need any more condominiums just now. If any are built, local developers who have a good record of responsibility should be given preference.

Mammoth Lakes Press should be com-

mended for their excellent and balanced coverage of the important issues — You have not shrunk from tough ones — Our best wishes for your continued success!  
Mammoth Resident

*We agree that certain elements of Mammoth planning leave something to be desired. Hopefully the recently formed Mammoth Advisory Council working with the County Planning Commission and Mono Plan associates will be able to develop a more logical planning program for the Mammoth area.*

-Editor

# EDITOR'S CORNER

by Jay Cole

*The question of local control will be the most important issue facing the people of Mammoth during the second half of 1973. Last week the Mammoth Advisory Council submitted a Proposal For The Incorporation of Mammoth Lakes to LAFCO; which, if approved, could mean that Mammoth residents will go to the polls in November to vote on whether or not to incorporate.*

The incorporation issue is not new to Mammoth residents. The Mammoth Lakes Press August 1972 issue documents some of the history:

The issue of incorporation was first discussed seriously in 1967. Shortly thereafter, the Chamber of Commerce solicited and paid for the feasibility study.

In mid 1970, the Chamber of Commerce took the next step which was the development of an application for incorporation to LAFCO (Local Agency Formation Council). The application was accepted and approved by LAFCO in early '71.

On August 31, 1971, a petition was submitted by 51% of the Mammoth land owners (based on assessed valuation) to deny the petition for incorporation. This petition was supported largely by the major developers. Subsequently the petition for incorporation was denied by the Supervisors and the issue was never brought to a vote.

In April of 1973, the Chamber of Commerce turned over to the Mammoth Advisory Council responsibility for studying the feasibility of incorporating Mammoth - M.A.C. accepted this responsibility and formed a study committee. The study committee ascertained that incorporation was feasible and submitted a proposal to LAFCO. Once LAFCO (Local Agency Formation Committee; approves the proposal, a petition signed by 25% of the population (representing 25% of the assessed land valuation) must be submitted to the County in order to bring the issue to a vote. 51% of the voters must then approve incorporation for it to take effect. Tentative timing is to have the petition signed in late July, which means that the issue could be brought to a vote by November, 1973.

The Mammoth Lakes Press strongly supports incorporation. We believe that the proposal now before LAFCO is a creative/workable approach to self government. We urge all Mammoth residents to attend the public M.A.C. meeting on

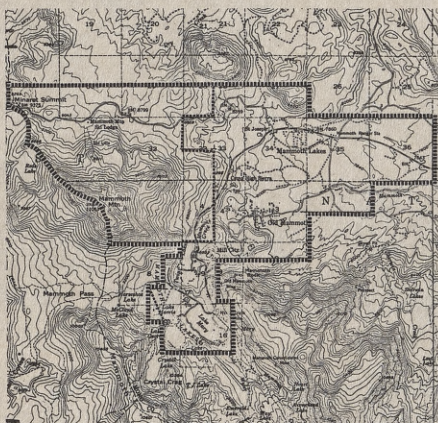

**July 16 at which time the proposal will be reviewed in detail.**

Whether Mammoth residents are for or against self government - **We Should Be Aware Of The Facts!**

The current proposal now before LAFCO (prepared by Bob Alexander, planning advisor to M.A.C.) is somewhat unique in that it suggests the sharing of the city's operational costs by both visitors and residents. This would be accomplished via a 5% "use tax" on all recreational equipment (including the ski lifts). The use tax makes good sense for a city with a residential population of only 2300 but with a peak visitor traffic of 15,000 on a single day. Visitors should share in the cost of the services that they utilize. No additional city property tax is proposed.

Other key points of the M.A.C. proposal include:

**1. Incorporation Boundaries:** The map below outlines the proposed city boundaries which include the town area, Old Mammoth, Sherwin Meadows, Mammoth Mountain Ski Area and the Lakes Basin.

Proposed boundaries for incorporation of Mammoth Lakes.

**2. City Government:** "It is proposed that Mammoth Lakes be a general law city governed by five elected councilmen, who would in turn elect a mayor. The council would appoint all other city officials.

"On the advice of several small cities, it is proposed that the City Manager also serve as the City Clerk, with a deputy Clerk, and that the office of Treasurer and Finance Officer be combined. The proponents recommend a full-time City Attorney, at least for the first few years, and a full-time Planning Director and Building Inspector. A City Engineer is budgeted, but it is left to the Council to decide to employ one or use the services of the County Road Commissioner. It is

recommended that Law Enforcement be contracted with the County.

"A Planning Commission is proposed, which will hold hearings within the community for the first time."

**3. Operational Budget** for the first half of 1974 and the full fiscal year of 1974-75:

The estimated costs for the first fractional year are \$129,283. For the first full year of operation as an incorporated city, the estimate for operation is \$763,268. The costs include: salaries for city employees, financial assistance to a cultural commission and to the Chamber of Commerce, public transit system, planning department, law enforcement, street maintenance and construction, snow removal and refuse.

On the other side of the balance sheet is the anticipated revenues. Revenues for the first fractional year are projected at \$168,555 - \$7,520 from building permit fees; \$14,970 from development fees; \$8,565 from planning fees; and \$137,000 from the new use tax. The total estimated revenue for the first full year is \$795,829 with the major sources of revenue being: snow removal - \$60,000; Transient Room Tax - \$144,966; Sales Tax - \$111,000; Use Tax - \$274,000.

Bob Alexander stresses that the budget in the proposal is merely a guideline for the City Council. It is also necessary to project (in the best possible manner) the expenses and revenues for the initial approval from LAFCO.

The Mammoth Lakes Press supports incorporation and the current proposal for the following reasons:

**1. The future/destiny of Mammoth** should be in the hands of Mammoth residents. The incorporation proposal states the case very well:

"Mammoth Lakes contains an urbanized area of three square miles in a rural county 3,000 square miles, with a County population of only 5800. Ordinances and standards appropriate to Mammoth Lakes are often inappropriate to Mono County, and visa versa."

**2. Funds** (such as sales tax, bed tax, etc.) from Mammoth should remain in Mammoth for the good of the community and not be dispersed throughout the county. This could be effected through incorporation.

**3. We believe** that the citizens of Mammoth do have the capability of self government - with professional assistance from a City Manager.

**4. The concept** of visitors/residents sharing in the operation costs appears valid for a recreational community such as Mammoth Lakes.

We hope to see you at M.A.C. meetin June 16! Whether you are for or against incorporation - get the facts!

# MAMMOTH FORUM

## Mammoth Beautification

Since last month's article on Mammoth beautification much has been done to clean up the town area.

Several individual businesses have landscaped the area surrounding their establishments. The Dempsey Construction and U.S. Forest Service buildings have always been well landscaped. Others who have more recently landscaped are Mill City Mining Company, Comstock Lode, the White Stag Inn and Berger's Burgers. Many of the condominium projects have had special clean-up days — these efforts and others have contributed significantly to a more visually pleasing community for both residents and visitors.

In addition, we have noticed that at least two of the temporary/unsightly signs published in the last issue have been removed.

Over Memorial Day weekend, KMMT radio station sponsored a MAMMOTH CLEAN-UP-DAY. Over fifty local residents participated in the activities. They combed the main streets of town picking up all visible trash left from the winter. The days activities produced a very large mound at Mill City Mining Company. Unfortunately, the mound was so large that it took days to clear it away to the dump. But what a difference it made in town! Many local businessmen donated refreshments for a party that followed at Shady Rest Park. Thanks to all who participated!

Although many individuals have con-

tributed to Mammoth beautification — much more needs to be done — and on an organized basis. There are still a number of vacant lots and condominium projects that need to be cleaned up and landscaped. The fences along highway 203 are in worse shape than ever. They should either be removed or repaired!

The Press will continue on a monthly basis to print both the good and the bad until Mammoth becomes as beautiful in the summer as it is in the winter (when covered with a mantle of snow).

A community beautification effort is still needed! It should be well organized and sponsored by a group that will generate support from businesses and residents. The Chamber of Commerce is the most logical organization to take on such a project — it should be part of the job in promoting Mammoth to visitors. What better way is there to generate repeat visitor traffic than to provide a beautiful resort town atmosphere. A beautification committee should be formed NOW by the Chamber of Commerce to spearhead a summer "face lift."

If you agree (or disagree) — write to the editor of the Mammoth Lakes Press — we'll print your views and attempt to get ACTION!

Below is our "Clean-Up" problem of the month" selection:

Dear Editor:

My husband and I are owners and full-time residents of a beautifully built condominium in a lovely complex located directly behind Chateau de Montagne. Our particular unit is located right on the meadow. Sounds ideal doesn't it?? It would be except for the lackadaisical attitude of the individuals contracted to build a condominium project on that meadow.

These contractors have dumped truck load, after truck load, after truck load of scrap lumber, scrap paper (which incidentally has blown everywhere), and general construction debris over several acres of this beautiful meadow. While I realize the developers of this project (Great American Marketing) are probably the owners of this land, there is no

It's a whole new way of life: own your own special place  
away from the city. Where friendship flows. To relax, just  
the two of you. To sit in front of the fireplace on chilly evenings  
and sip your favorite wine and reminisce about the great day  
you had on the slopes.

It's a whole new way of life: Have  
your own exciting year around  
retreat . . . Skiing . . . Tennis  
. . . Swimming . . . Fishing  
. . . Hiking. Get outdoors,  
breathe the fresh air;  
be totally  
revitalized.

It's a whole new way of life:  
A wine and  
cheese picnic in the snow.  
Lots of friends. Life is  
a great feast. Take a really big bite.

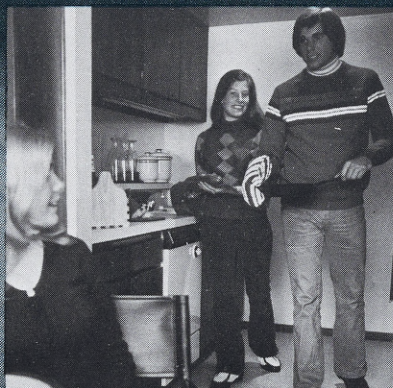

a ski country  
condominium  
is a whole new way of life.

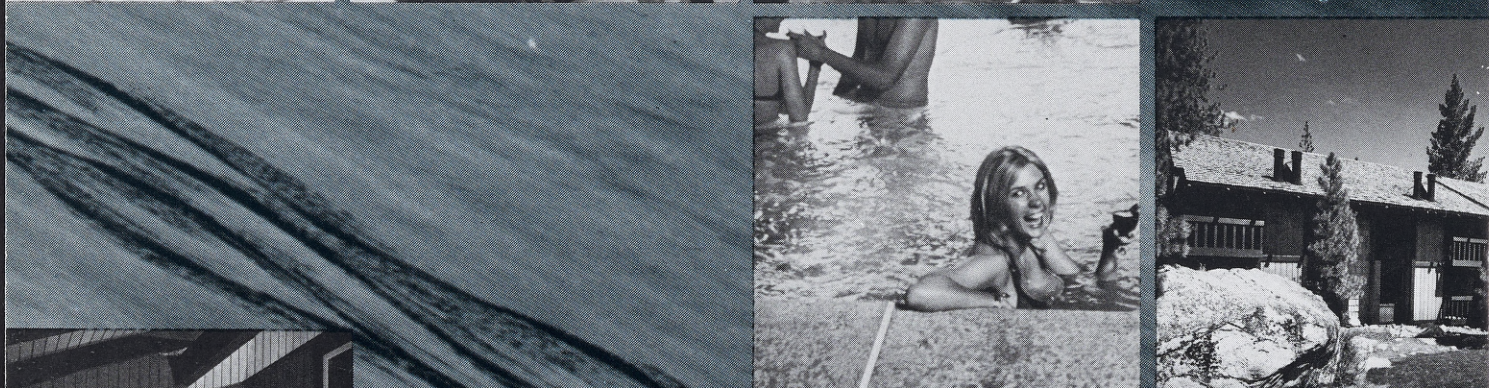

It's a whole new way of life: Bright sunshine streaming in your window. You want to get up . . . make the first tracks in the fresh powder. Ski your favorite runs; come home totally exhausted and know you really had fun.

It's a whole new way of life: A home away from home . . . to decorate, to entertain in, to be proud of. Fireplaces, beam ceilings, thick carpets, rustic paneling. Different from the city . . . A warm, cozy, relaxed feeling.

It's a whole new way of life: One that you'll relate to in your own special way. It's a chance to get away from it all. Relax. And continue to grow, perhaps in a new way.

It's a whole new way of life: For families and friends. Recreation rooms Jacuzzis, saunas. Brimming with people like you — enjoying life

Trash and debris litter the Meadow area surrounding La Vista Blanc condominium site.  
photo by Kathy Giaimo

excuse for such abuse. These areas of trash literally ruin the desirability of our meadow and mountain view.

In addition to being repulsed each time we look out our window, this amount of trash presents a serious fire hazard!

Help! What can we do to get these people to clean up their project?

Galin Colwell

Since last month's article and pictures on Mammoth's trash problem, we have noticed that several of the publicized offenders have "cleaned up their act." Many offenders were undoubtedly overlooked. We have included a photo of the area for our readers to view. Let us see if there is any improvement by next issue. Community pressure can be an effective deterrent to litterbugs!

Editor

Dear Sirs:

I was delighted with your excellent article regarding trash/clutter in Mammoth. You may recall last fall I wrote a letter about this same subject. The trash problem in Mammoth is critical! Trash is everywhere!

Your pictures showing examples (and where), is to be commended. That takes courage! Are you ready to go one better? Why not feature a photograph every month, depicting trash/clutter in Mammoth, with the name and address of the person/company responsible. When it is cleaned up, publish before and after photos with a nice thank-you.

The Press could also show show people doing something about the problem. One of the enclosed photos shows myself cleaning up vacant lots across from my condominium. How else will it get done?

Community pride is awfully difficult to generate in a small resort like Mammoth. It just doesn't go deep enough. I think this is because of Mammoth's transient "locals." Many of these younger people are here just for kicks, to gain some kind of personal enjoyment and live as they

can for awhile before moving on to other pastures. All of us who care would be better off without these people in our midst, but how can they be discouraged?

Maybe a campaign called - "Mammoth" - Give a Damn" would bring attention to the problem. If everyone, including second homeowners, in Mammoth set aside a Saturday and Sunday, with local businesses providing trucks, Mammoth could be cleaned up fast. Fences could be mended with materials provided by property owners, old junk removed with property owners consent, etc. It takes a lot of coordinating and planning; can you think of any other way to get the job done?

Sincerely,

Roy J. Wagner-El Cajon, Calif.

The Press obviously agrees with you that the trash problem, particularly during the summer, is critical. Some steps have been taken to at least lessen the problem. The local radio station, KMMT, recently sponsored a successful trash pickup program. Over 50 residents participated. However, more needs to be done. The Press believes that one short term solution would be for the Chamber of Commerce to sponsor a weekend "clean-up" program. Chamber of Commerce sponsorship would be instrumental in getting local businessmen/residents involved. We strongly recommend that the Chamber of Commerce consider such a program as soon as possible.

Editor

When the snow melts - "tons" of trash is exposed along Mammoth's roadways. Roy Wagner picks up litter in the vacant lot across from his home.

## Community Attitude Questionnaire Results

Tabulations of the community attitude questionnaire that appeared in the April and May issues of the Press have finally been compiled. The results should be informative to all residents and visitors and could/should serve as a planning guide for Mammoth's Supervisors, the Mono Plan Associates and the Mammoth Advisory Council.

Nearly 400 questionnaires were received - the majority (68%) from either residents or second homeowners. Many readers supplemented their questionnaires with letters - too numerous to publish.

The similarity of response was unbelievable, and points out specific directions for Mammoth's future. A majority of the respondents favored some degree of growth - but stressed the need for **PLANNED, ORDERLY GROWTH**. Medium growth with high density was favored as a growth concept. A concentrated town center was desirable to most. A very critical problem to most residents and visitors was the lack of a public trans-

portation system; resulting in the current traffic and parking congestion which was deemed undesirable by virtually all respondents.

Following is the tabulated response from the questionnaires:

**Question 1 - What, in your mind, are the most critical problems facing Mammoth?** - answers: Uncontrolled growth - 26%; Inadequate transportation between the ski area and the village - 25%; Parking and traffic congestion - 22%; No village concept - 10%; Overpopulation - 8%; Other responses - 7%.

**Question 2 - How much population do you want for Mammoth?** - High population, high density development - 12%; Medium population, high density - 40%; Medium population, low density - 10%; Low population, medium density (no growth) - 38%. 38% opted for no growth; 62% for some form of growth.

**Question 3 - What elements do you see at other ski areas that make those areas particularly appealing to you?** - Concentrated town/village concept - 30%;

# Mammoth Masters Golf Tournament Becomes A "Smashing" Success

by Kathy Giaimo

On Sunday, June 3rd, Mammoth Glass hosted the successful fourth annual Mammoth Masters Golf Tournament at the Bishop Golf Course. For \$15 the entries not only enjoyed a round of golf, but also many rounds of free drinks, and a scrumptious steak dinner. Under the supervision of Ray Thorley the tournament kicked off at 9:00 AM with a shot gun start followed by 18 staggering holes.

It appeared that the basic goal for most the golfers was not to get the lowest golf score, but to remain standing through the 18 holes. With more than 90 starting participants the majority managed to swing their way through to the finish with only a few minor mishaps during the day. Ray Carson, in a spirited mood, drove his golf

cart through sprinklers, a pond, and for the finale, rolled the cart. Another contestant. In an attempt to cool off from the hot Bishop sun, dove into a golf course pond. Too bad it was only a foot deep. Other misfortunes included one of the lovely bar maids getting hit in the leg with a badly sliced golfball. One perceptive observer was overheard saying, "If the golf carts were tanks and the golf balls bullets, it could be a replay of World War II."

At the conclusion of the tournament a delicious bar-be-qued steak dinner was served and greatly enjoyed by the participants and friends. After dinner the well-deserved trophies were dispersed. "Mammoth Lakes Press" wishes to extend hearty congratulations to the follow-

ing winners for their skill and bravery: Closest to the hole on the first ball hit at the 8th hole were Ross Mather, first, and Don Willer, second. Winners of the Calloway System were Ford Wilson, first, John Kalen, second, and Bill Rolls, third. For the low net scores Joe Earll placed first, Walt Edgekoski, second, and Larry Buntin and Dick Young tied for third. The low gross score of 72 won Brent Bordeaux his trophy, while 2nd low gross went to a M.R. Wallin, and Don Willer took third.

It must be said that a fun, exciting, and memorable day was had by all. Proceeds from the tournament went to the Mammoth Lakes Jr. Women's Club, who were present to held with the food and drinks.

Liquid refreshments were plentiful! Members of the Mammoth Lakes Jr. Women's Club man the "bar."

## Mammoth Sweeps Tri-County Tennis Tournament

by Patricia Butt

The City of Bishop Parks and Recreation Department again sponsored the Tri-County Tennis Tournament on June 15th, 16th and 17th. Mammoth represented a large portion of the entries. The Women's Open Doubles finals was played by two Mammoth teams, Marti Johnson-Patty Evans vs. Honey Mac Masters-Vinette Park. This was an exciting match with the experience and coolness of Johnson and Evans defeating MacMasters and Park in the third set. In the Women's Open Singles final, Marti Johnson lost to Carolyn Davis of Bishop, after Marti spent a grueling day on the courts, playing two other matches earlier in the day. Marti lead in both sets 4-0, but went to defeat 6-4, 6-4. She did take home second place for Mammoth.

Mammoth's real power house was

Clain Burnham, who showed the true expertise of an outstanding tennis player. In the finals, Clain defeated another Mammoth entry, Jim Thomas, to win the Men's Open Singles. It must be mentioned that Carrick Johnson, son of Mammoth's Marti and Dick Johnson, played a fantastic game against Clain earlier in the draw. The match went to three sets with Clain finally defeating Carrick. Clain and his partner, Conrad Casser played a Bishop team in the finals of the Men's Open Doubles. Clain served the first ball at match point, but it was wide. But in the Clain Burnham style of never letting up, he tried again on his second serve for that service ace. He left his opponents wondering what happened. Mammoth wins again, this time the men's open doubles. Bob Thomason of Mammoth played Robert Noyes in the Men's B Singles final. Thomason finally won

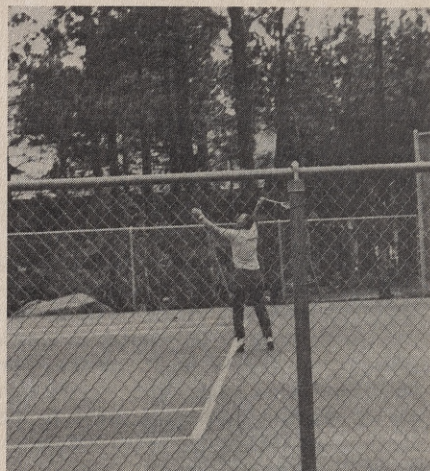

Total concentration on this shot?!

# Tennis May Soon Be THE Mammoth Summer Sport!

*Tennis is becoming one of the more popular sports at Mammoth.*

*photo by Carolyn Cole*

With the beginning of summer at Mammoth, tennis seems to be the word. Currently there are four tennis courts in town, all private. Three of the courts are at condominium complexes and the fourth is at Mammoth Mountain Ski Area (this court is open to the public on a sign-up basis; however, the employees of the Ski area get first priority).

But construction plans for additional courts at Mammoth looks great — at least 10-12 courts are in the wind for completion this summer.

It looks like this year Mammoth will finally complete the community tennis courts. The two courts are graded and awaiting paving. The decision has been made to pave the courts with asphalt instead of cement. The funds are available to hire professionals to complete two asphalt courts — volunteer help and

the match after three extremely long sets.

Then there was a fun event called mixed-up doubles. The teams were established by the tournament officials, making for interesting combinations. The event was won by Mary Jane Thomason of Mammoth and Boyd Lehman of Bishop, with second place going to Bob Thomason (Mary Jane's husband) and Keri Ropiha also of Mammoth. The only event that Mammoth did not take first or second place was the women's B Singles. This was won by two Bishop girls.

Special thanks must go to Carolyn and Bill Davis of Bishop for putting on such a fine tournament. All participants enjoyed themselves. The event was concluded with an awards potluck dinner Sunday at the park. All in all Mammoth came through showing we are indeed a highly sports oriented community. Tennis Anyone?

donations would be required to complete cement courts which are much more costly. July 15th is the target date for the completion of these courts. The courts are located adjacent to the Community Center on Forest Trail, just east of Minaret Road. Tentative plans call for the hiring of a tennis pro who will be responsible for maintenance and court reservations and will also offer tennis instruction.

Sierra Nevada Inn is currently considering putting in two to four tennis courts. The plan under consideration

calls for a pro shop, possibly locker rooms with showers, two enclosed tennis courts for winter usage, and even the formation of a private tennis club with charter memberships offered. Sounds great!

Mammoth Vistas, a private home complex, has two courts under construction. Also, at least four condominium complexes are adding tennis courts to their recreational facilities this summer.

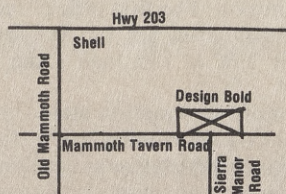

Our count says that Mammoth could have at least 16 tennis courts in its midst by the end of summer. That's pretty good for a starter!

# Mammoth Lakes Sailing Club Sets Sails For The Summer

*A wildflower is launched at June Lake - Sailing Club outing on June 10.*

*photo by Carolyn Cole*

The Mammoth Lakes Sailing Club is jumping into an active summer program. On June 10th the club had their first practice sailing day with the new boat owners and friends at June Lake. A steady and strong wind made perfect sailing conditions for the excited sailors.

Earlier in June the Sailing Club became officially formed with the election of its first officers. Mike Cooper was selected as Commodore, Ron Otrin as Vice Commodore, Kathy Giaimo, Secretary-Treasurer, and Chuck Holland was voted Race Chairman.

The first general meeting of all members and potential members will be held Monday, July 9th, at Shakey's Pizza Parlor at 7:30PM. Attendees of this meeting can become charter members of the club for the small yearly membership fee of \$10.00. The agenda includes planning sailing outings, weekly races, regattas, and parties. A practice race will be held

*Convict Lake makes for super sailing!*

*photo by Carolyn Cole*

on Horseshoe Lake, Tuesday, June 26, in the afternoon. The first official race date has already been set for Sunday, July 15th, at 2:00 at the June Lake Public Beach.

For more information attend the general meeting on Monday night, July 9th, at Shakey's and become involved with the newest, most active club in town! No purchase necessary.

## Pack Trips Scheduled For The Summer

**JULY 1-6 — (6 days) JOHN MUIR WILDERNESS AREA TRIP THRU FISH CREEK** — Leave Red's Meadow via the Fish Creek Trail to Island Crossing, Iva Belle Hot Springs and Cascade Valley. Excursions to Beetlebug, Minnow Creek, Lakes of the Lone Indian and Upper Fish Creek. Return to Red's Meadow via Purple Lake and the John Muir Trail. This is a leisurely trip through one of the finest camping areas in the Sierra. This area of the Sierra is accessible at this time of year.

**JULY 9-13 AND JULY 30-AUG. 3 AND AUG. 27-31 (5 days) MINARET WILDERNESS AREA TRIPS** — Depart Agnew Meadows Park Station via High Trail to Thousand Island Lake. Travel the Muir Trail past Garnet Lake to Shadow Creek below Lake Ediza. Return to Red's Meadow via the Muir Trail and Devil's Postpile — Option of returning to Agnew Meadows if desired. Outstanding scenery, excellent introduction to the High Sierra, moderate move between camps. Two full days without moving camp with lay-over days at Thousand Island Lake and Shadow Creek. Excellent trip for hikers. Climbers welcome.

**AUG. 19-25 (7 days) YOSEMITE NATIONAL PARK TRIP** — Passes thru some of the finest wilderness in Yosemite Nat'l. Park and the most scenic portion of the Minaret Wilderness. Trip starts at Agnew Meadows and ends in Yosemite Valley — via Donahue Pass, Vogelsang, Merced Lake, Little Yosemite. A trip of a lifetime. Seldom-seen areas.

**SEPT. 2-SEPT. 7 (6 days) FABULOUS FISH CREEK TRIP** — Emphasis on fishing for Rainbow, Brook and Golden Trout. Beautiful scenery, excellent camping areas. Plenty of time for side trips to the many lakes and streams. Fish and Game Map of Fish Creek available upon request.

**SEPT. 9-15 (7 days) RED'S MEADOW TO BISHOP. JOHN MUIR TRAIL TRIP** from Red's Meadow south to the North Fork of Bishop Creek over Paiute Pass. Travels the Muir Trail to Purple and Virginia Lakes, Lakes of the Lone Indian, Silver Pass, Mono Creek, Bear Creek, Selden Pass, Paiute Creek, Hutchison Meadow, Paiute Pass, ending at North Lake. Great trip for person desiring to travel and see lots of country.

For further information and/or reservations write or telephone Red's Meadow Resort, Mammoth Lakes, Cal. 93546. Telephone (714) 934-2345.

# MAMMOTH COOKBOOK

Sour dough bread is a tradition in the Mammoth area. Doug Kittredge, long time Mammoth resident and outdoorsman, has offered to share his recipe with us. Everyone that has tried it says that it works and is super!

## Sour Dough Starter

To "feed" sour dough, add equal parts milk and flour. Beat together well. Place in warm place to ferment 24 hours or

more — can immerse sour dough container in pan of warm water to cause fermentation. Store in refrigerator if sour dough is not to be used for a week or so; allow several hours to come to room temperature when wanted to use. Sour dough container is best of a gallon capacity; a large pickle jar with a screw top is ideal.

## Sour Dough Bread

This is a true shepherd's technique, ideal for cooking in a cast iron dutch oven on the open fire, though will work equally well at home in regular bread pans. In a round bread mixing bowl blend together with a large spoon:

- 4 cups of sour dough starter
- 2 tbs. cooking oil
- 1½ tsp. salt
- 1 tsp. baking soda
- 2 tbs. sugar
- 2 tsp. baking powder

Now stir in hand fulls of flour until dough starts to thicken well and does not stir easily. Continue adding flour a handful at a time while kneading the dough with heel of the hand or doubled up fist, until dough becomes moderately stiff to a point it will form a soft loaf. DO NOT KNEAD LONGER THAN 2 MINUTES. The secret of making sour dough bread without the use of yeast is to knead as little as possible, yet get the ingredients well mixed; too much handling of the sour dough drives out many of the fermented air bubbles and the dough won't raise properly.

Form round loaf and cook in 10" dutch oven; or form two loaves to fit in regular bread pans.

Raise loaf next to fire, allowing dutch oven to get almost too hot to touch and rotating to expose different sides for uniform heat, for a period of 45 minutes to one hour. Raising can be done in the oven at home, having thermostat set at lowest temperature, usually this is 120 degrees.

Cut top of loaf about ½ inch deep with knife — if a round loaf, can cut a cross; if in a bread pan, cut lengthwise. Brush top of loaf with mixture of egg white and white wine, or simply give top of loaf a coating of cooking oil.

If cooking by your campfire, shovel a three or four inch deep bed of hot coals on the ground next to your fire. Place the dutch oven in the center of the coals and shovel on a thick layer of hot coals over the lid. Let cook one hour — peek into the oven after 45 minutes, adding more coals on top if needed (it is not generally necessary to add more coals under the oven.)

For cooking at home, set the oven ther-

mostat at 375 degrees. Cook bread for one hour. If not done, increase heat to 400 and cook longer as needed to give a well done crust.

A fabulous Raisin Bread can be made using this same recipe, but changing to a cup of brown sugar and adding a cup or so of raisins and a few chopped nuts, if desired, and two eggs.

With the price of beef sky rocketing, you may find that this chicken recipe is not only a pleasant change, but also easy on the pocket book:

## Viva La Chicken

- 4 whole chicken breasts
- 1 doz. corn tortillas
- 1 can cream of chicken soup
- 1 can mushroom soup
- 2 cups milk
- 1 onion, grated
- 1 can green chile salsa
- ½ can of diced chilies
- chicken stock
- 1 lb. cheddar cheese, shredded

Wrap chicken breasts in foil and bake at 400 deg. one hour or until tender. Bone chicken and cut into large pieces. Cut tortillas into 1-in. strips or squares. Mix soups, milk, onion and salsa.

Grease a large shallow baking dish. Place a tablespoonful or two of chicken stock (or broth or water) in bottom of baking dish. Place a layer of tortillas in dish, then chicken, then soup mixture. Continue layers until all ingredients are used, ending with soup mixture. Top with cheese. Let stand 24 hours in refrigerator to allow flavors to blend. Bake at 400 degrees (high altitude) and 300 degrees (sea level) 1 hr. and a ½. Makes 8 servings.

This recipe comes from Myron and Lou Niesley of Marina del Rey. Myron's first trip to Mammoth was in 1950 with the Santa Monica City College Ski Club. Mammoth at that time had three tope tows and a 10' x 30' warming hut.

Tired of tossed salads with dinner? Here is an idea to make any dinner perk up:

## Hot Fruit

One large can each : Plums, pineapple slices, apricots, peaches and cherry pie filling. White wine.

Drain all cans except pie filling. Pour all fruit into Pyrex baking dish. Pour cherry pie filling over fruit. Sprinkle with brown sugar, dot with butter, pour ½ cup white wine over fruit. Bake at 350 deg. for 45 minutes. Makes serving for 6. Excellent with meat and poultry.

## Two Fishing Derbys Planned This Summer In Mammoth

Each summer the Mammoth Lakes Chamber of Commerce sponsors a fishing derby open to all residents and visitors to Mammoth. The derby runs throughout the fishing season. Plaques are awarded each week for the largest fish in each of two classes. Weekly derbys run from Saturday noon to the following Saturday noon. Fish may be officially weighed and entered at the following locations: Village Sport Shop on Minaret Rd., Lake Mary Store, Wildyrie Store, Kittredge Sport Shop, Filson's Tackle, and Convict Lake Resort Store. For rules and further information on the Derby please contact the Mammoth Lakes Chamber of Commerce (714) 934-2522.

Filson's Tackle Shop also sponsors a weekly fishing derby. This Derby also runs from Saturday noon to Saturday noon. Fish must be weighed in at Filson's Tackle Shop to be eligible for the prizes. Each week a \$5.00 gift certificate is awarded to the person who weighs in the largest fish. They also present a trophy

## Blind Bogie Fishing Contest Offered by Local Sport Shop

Have you ever wanted to win a fishing contest with a 6" fish? Now you can! Kittredge Sport Shop awards a \$10.00 gift certificate every week for a certain size trout. **Not the largest**, but a combination of length and weight determined by their staff of experts. Your trout will be weighed, measured and recorded, and the

## Summer Fun "How To" Classes Offered For Free

Kittredge Sport Shop is offering free lessons in various fishing classes.

**Fly Casting Lessons** - Casting and fishing techniques, knots, flies, and general streamlore will be taught. Day and evening sessions. Limited classes. Call Ted dePlomb at Kittredge Sport Shop - 934-2423.

**Fly Tying Lessons** - Materials supplied, evening sessions only, limited enrollment. Call Steve Bott at Kittredge's.

**Custom Rod Wrapping Seminars** - Materials supplied, learn to make your own fly and spinning rods. Inquire at Kittredge Sport Shop.

Don't forget — all classes are free of charge. Children under 15 must be accompanied by adult.

*Fishing at Lake Mary has been excellent.*

# FROM THE MOUNTAIN

## Summer Race Camp—Biggest Ever

The Mammoth Mountain Ski Area summer race camp, hosted its largest race camp in history this year. Three hundred and twenty students attended the three camp sessions in June. Also in attendance were two airline groups (Western and United Airlines) and a group of Rossegnol ski representatives.

The Rossegnol Ski Corporation and Mammoth Mountain Ski Area co-sponsored the camp; Annie Famose, Olympic Gold Medalist, was the head coach.

Three of the U.S. National Ski Team members attended the camp — Andy Mell, Geoff Bruce and Cary Adgate. Sixteen year old Marlin B. Ross from OGDEN, Utah attended the first session. The coaches were so favorably impressed with his ability (he was beating the coaches in some of the races) that he was sponsored by Rossegnol in the

Annie Famose coaches some "hopefuls" on good racing technique.

photo by T.J. Johnston

second session. Also in attendance was Adrien Duvillard of Rossegnol, who is one of France's top skiers.

For the youngsters, the days started early with a 6:00 wakeup and breakfast. At the gondola By 7:00 the racers were off skiing for the morning. In afternoons there was some free time, physical train-

ing sessions and ski clinics. After dinner the video tape replays of the day's skiing were viewed.

Plans are already underway for next year's race camp which will probably be even bigger! There is talk that there will also be a session for adult skiers! Plan ahead now to attend next June!

OPEN 6AM - 10PM DAILY  
934-2350

**AUSTRIA HOF** — Mammoth's only German restaurant. Open for dinner Friday, Saturday and Sunday throughout the summer. Beer and wine bar is open nightly with live entertainment on Friday and Saturday nights featuring Ted Pignoli. Located at the base of chair lifts seven and eight on Canyon Blvd.

**BERGER'S BURGERS** — Open daily — serving burgers, giant sandwiches, and full dinners. 11:30-9:30. Don't miss the great ribs and apple fritters. Casual atmosphere.

**BARKING SPYDER** — Mammoth's only drive-thru restaurant. Open from 11 a.m. to 9 p.m. daily. Serves hamburgers, hot dogs, french fries. Located on the corner of Old Mammoth Rd. and Sierra Nevada Rd.

**COMSTOCK LODGE** — Mammoth's newest restaurant. Decorated lavishly in "Purple Victorian" with ferns and many beautiful antiques. Open for breakfast, lunch and dinner. Homemade hollandaise and bernaïse sauces and cheese cornbread are the specialties. For breakfast devise your own omelet or enjoy one of the many unique egg dishes. Lunch offers sandwiches, barbequed ribs or chicken, and burgers. For dinner choose from a huge menu with everything from eggs benedict to super thick steaks.

**FAT ALBERT'S** — Sandwiches and box lunches to go. A selection of over 25 different kinds of sandwiches. Box lunches include sandwich, pastry, fruit and chips. take one hiking or fishing or on a picnic to Hot Creek. Call ahead your order — 934-6267 — ask for Kristine.

**LAKE MARY STORE & CAFE** — Located on scenic Lake Mary. Cafe serves breakfast, lunch and dinner. Features homemade cooking, pastries and pies. 934-2430.

**LAS MONTANAS** — Excellent, well priced Mexican food. Featuring the "Original Cheese Crisp Special." Try their new wine Margarita — guaranteed to be great! Will be closed for the month of July in preparation for their grand opening at a new location — formerly

the Cortina Inn. The new Las Montanas will feature the same great menu. A full cocktail bar with entertainment will be a new addition.

**MILL CITY MINING COMPANY** — Restaurant upstairs; discotheque downstairs. Restaurant features T-bone steak, bar-be-que chicken and trout stuffed with crab. Also they serve a wide variety of burgers. Children's emnu. All meals are moderately priced for families. Dinner is served from 6-10 pm. Starting June 1st, Mill City will open for breakfast from 6:30 to 11 am. In the discotheque, live music and entertainment (featuring local talents) will be on dock Wednesday, Friday and Saturday evenings.

**THE MOGUL STEAKHOUSE** — Open daily for dinner. Offering a new concept in dining — cook your own steak — make your own salad. Daily specials. A new dining room has been added which can accommodate large groups on request. Wine cellar.

**MULE HOUSE CAFE** — Serving breakfast, lunch and dinner from 7 a.m. to 7 p.m. Try the Muleburger, Packer's Special, Trail Rider's Delight or Over-the-Falls Upside Down Cake! On display are photos of many of their renowned guests and also a collection of pictures on the history of Red's Meadow.

**NICOLOSI'S** — Popular new Italian restaurant featuring homemade breads, soups, and sauces. Lunches weekdays, dinners daily. Excellent food, reasonable prices, family atmosphere. Wine menu. "Ask Anyone!"

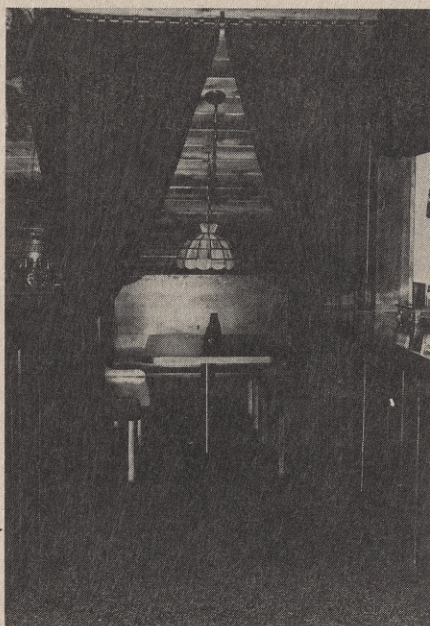

**THE RAFTERS** — Outstanding steaks and seafood. Specialties include honey duck, scampi, mahi-mahi and prime rib. Popular bar featuring entertainment nightly. Reservations accepted.

**SHAKEY'S PIZZA PARLOR** — Mammoth's newest pizza restaurant. Open for lunch and dinner daily. Serving a wide selection of pizzas and also fried chicken. Wine and beer and soft drinks. Old-time movies and sports flicks are the agenda for entertainment. Great family spot!
